

Attention: AL Producers

EFT Auto-Pay NOW Available in Alabama!

Effective: 04/01/2011

Omni Insurance Group is **NOW offering Insured EFT!** Note these great benefits:

<u>Insured</u>	<u>Agency</u>
Reduced Service Fee & Avoid Late Fees	Fewer Commission Charge-backs
Continuous, Uninterrupted Coverage	Fewer Non-pay Cancellations
Consistent sweep date each month	Less Service Work
Lower Down Pay & Monthly Installments	Higher Renewal Retention

The Process is Simple:

- EFT payment plans are now available for 6 month policy terms.
- The policy premium is conveniently divided into equal monthly installments.
- The first EFT Payment begins **25 days** after policy inception/down payment and remains the same day of the month every month thereafter.
- Renewals are just as seamless; the first EFT installment is due 5 days prior to the renewal effective date which is the same day of the month as all prior payments.
- Only one easy form to complete and retain in your office ([Click here to see more details](#))

Points to Remember:

- The initial down-payment will still be swept from Agency's account, not the insured's account.
- Obtain a copy of the voided check from your insured and validate the information along with getting the agreement signed (but retained in your office).
- Please verify if your insured is giving you a **checking OR savings** account number. We accept both but the account numbers are different.
- If you need to fax Omni anything regarding insured EFT, **PLEASE use the secure fax number: 770-303-2527.**

Additional Changes:

New Extended Plus Pay Plan

- 20% down with 5 installments of 16.0% with the first payment due in 25 days then remaining installments every 30 days thereafter.

Other changes:

- The late fee will be \$12.00
- The cancellation fee will be \$25.00
